The Select Board shall provide a period of time at each Select Board Meeting to hear from the public which shall be referred to as Public Comment. The initial period of time shall be a total of 15 minutes and each person desiring to speak should limit their initial comments to 2 minutes. The Public Comment is not intended to be a discussion, debate or dialogue among citizens and the Select Board. Rather, it is intended to offer citizens an opportunity to express their opinion on issues of Select Board business. While the Board and/or administrators will not typically respond to citizen comments or questions posed at Public Comment, the Chair, as presiding officer of the meeting may answer or request an answer to a question if they deem it appropriate.
